Section 34(1) of the Environmental Protection Act 1990 imposes a duty of care on all producers of waste to take 'reasonable and appropriate' steps in relation to the waste they produce.

This duty requires you to ensure that no unauthorised, harmful deposit, treatment or disposal of your waste and to prevent the discharge of any waste from your premises. You are further required to ensure that only an authorised person transport your waste. A written description of the waste legally must be provided by you on the Transfer Note and kept by you for at least 2 years as written proof of the discharge of your responsibilities.

Breach of this duty is a criminal offence with a potential unlimited fine in the Crown Court.

Section B: Description of Waste

IMPORTANT

1. Section A and B on this form must be completed by waste producer. Return one copy to Commercial Recycling Ltd. Retain the second copy for a minimum of two years.

2. This Annual Transfer Note covers you, our customer, for a fixed frequency collection with little variation to the volume or nature of the waste removed. You must ensure unlisted or harmful waste is not presented for collection, and to inform Commercial Recycling Ltd should there be any change of circumstances.

3. Commercial Recycling Limited reserve the right to apply a charge for the administration of the Duty of Care Annual Waste Transfer Note.
