All prices are subject to VAT at the standard rate
Hazardous waste must be booked in priority to arrival
All prices that are quoted per Kg/LTR are based on the total volume of the container and not what is estimated inside. For example if there is a 10 LTR bottle or drum that is only part full the customer would be charged for the whole 10 LTR's.

All the products and services we provide are governed by certain terms and conditions, these can be viewed at: www.commercialrecycling.co.uk/index.php/terms

Special instructions:

It is the responsibility of the producer to correctly describe their waste. We reserve the right to reject or downgrade waste types should they appear incorrect after inspection (additional charges may apply).

IMPORTANT

If the customer is unable to sign our internal 'Hazardous Waste Declaration' to confirm items originate from a 'separately collected domestic fraction' the customer must provide a fully completed Hazardous Waste Consignment Note charged upon tipping at £50.00 per load.
